Testimonial

Stephen Montgomery –

The service from MTC can't be beat. Our marching band is raising money for a trip to Washington DC and we needed a way to raise funds for the entire school year. MTC worked with me to create refillable snack boxes that are awesome. We can change items at any time and the profits are better than the competition. Orders for new products are promptly filled and they even delivered right to my classroom. We've raised more than \$10,000 in less than three months and we're still going strong. For quality products, outstanding service, and terrific profits MTC can't be beat.
